'Fratello & sorella', that means brother and sister in Italian! We are the brother and sister team behind Bella Italia in business for over 25 years. Early inspiration came from our Dad, Hugh Snr, who had a treasure trove of favourite, secret recipes that were eagerly tried and tested at home. Inspired by this, Caroline went on to classically train as a chef in Sardinia where Italian food became her real passion. Caroline's daughter, Clara, is now an integral part of the latest chapter of the story regularly seen running front-of-house. In July 2017 we added the next chapter in our story, and opened a second unit in Castletroy.

Italian food starts with family and its simplicity allows quality ingredients to speak for themselves. We attribute the strength of our Bella Italia recipe to unfailing family and loyal customer support over the years.

All our fresh pasta and sauces are made in-house every day, the old fashioned way, with love and attention to detail. Simple ingredients creating beautiful authentic food. This is part of who we are and what we value.

From our family to yours, buon appetito! Grazie,

Hugh & Caroline
